# SAILING PREVIEW

NOVEMBER 2023 - MARCH 2025

SAILING  
ADVENTURES

# THE STAR CLIPPERS *Experience*

Star Clippers offers an experience that is both modern and classic, but never ordinary. Our three tall sailing ships embrace the romance of sailing the open ocean using wind charts to navigate to small ports and harbors that larger ships can't access. At the same time, our modern ships offer guests all the comfort and amenities you would expect from a luxury yacht like a swimming pool, sun decks, bars, dining venue, library, and wellness facility. The well-designed cabins provide a comfortable private space for relaxing after an adventurous day. One of the main highlights of a Star Clippers sailing is the opportunity to participate in the sailing process. Raise the sails, steer the ship, or simply relax in the hammock-like bowsprit net, suspended over the blue ocean. While on board, we encourage you to do everything, or nothing at all.

As we embark on the season ahead, we're excited to present this preview of our upcoming sailing itineraries through March 2025 for sailings in the Caribbean, Mediterranean and Central America. So, no matter what part of the globe you choose to visit, or which of the three Star Clippers' ships you choose to sail on, we promise you a unique, intimate sailing experience not possible on a larger ship.
